Report on College Campus Cleanliness Drive under "Swachh Bharat Abhiyan" organized by NSS Units, Government Degree College Kangan.

On 2<sup>nd</sup> August 2025 as a part of the Independence Day celebrations and in alignment with the objectives of the Swachh Bharat Abhiyan, the NSS units of Government Degree College (GDC) Kangan organized a Campus Cleanliness Drive. The initiative aimed to instil in participants a strong sense of civic responsibility and the importance of maintaining clean and hygienic surroundings, while promoting the principle of learning through active participation. The objectives of the drive were to promote awareness about cleanliness among students and to encourage civic responsibility and teamwork. It also entailed engaging participants in hands-on cleaning activities to emphasize the value of "learning by doing". The drive commenced with an introductory assembly in the college courtyard, where NSS programme officers briefed the participants about the day's agenda and the significance of the Swachh Bharat Abhiyan. The students and staff members were then divided into dedicated groups, tasked with cleaning specific areas of the campus, including: Lawns and garden areas, Classrooms and corridors, Pavements and surrounding paths, Equipped with gloves, brooms, garbage bags, and other cleaning supplies, the students and staff members enthusiastically carried out their assigned duties. The participants worked diligently to clear litter, weed the gardens, sweep the pavements, and tidy the classrooms, creating a visibly cleaner and more welcoming campus environment. At the end of the event, students and teachers took a solemn pledge to keep their surroundings and the campus clean, reaffirming their commitment to the ideals of cleanliness and responsible citizenship. The drive drew active participation from both students and faculty. Beyond just physical cleanliness, the event served to deepen awareness about environmental hygiene, self-discipline, and the collective responsibility we all share in keeping our public spaces clean. It stood as a practical step towards nation-building and celebrated the spirit of Independence Day through responsible civic engagement.

**Report on Waterbody Cleanliness Drive under Swachh Bharat**  
**Abhiyan for the 79th Independence Day Celebrations**

On 6 August, 2025 student-volunteers along with NSS Program Officers , Eco Club, and the Department of Environmental Science of Government Degree College (GDC) Kangan organized a water body cleanliness drive along sections of the Sindh River adjacent to the college campus. This initiative was strategically timed ahead of 15 August, promoting the ideals of a “Clean and Healthy India” under Swachh Bharat Abhiyan—reflecting national pride and environmental stewardship. The objectives of the drive was to remove accumulated non-biodegradable waste (plastic bottles, wrappers, polythene bags, packaging materials) from riverbanks and nearby stretches and to promote waste segregation on-site—sorting recyclables separately from general waste. The drive also aimed to raise awareness among local residents and passersby about the significance of keeping local water bodies free from pollution and to instil values of community service and environmental responsibility in students and faculty. Volunteers were organized into teams—some cleaned the riverbanks and nearby pathways, while others managed waste segregation. An estimated 80–100 kgs of waste was collected including plastic bottles, food wrappers, polythene bags, and other litter. Recyclables were separated and stored for proper recycling, while residual waste was disposed of safely. The local residents appreciated the effort; some joined and pledged to avoid littering the river. The drive thoroughly enhanced a sense of civic duty, environmental awareness, and teamwork. It was a well-coordinated drive involving effective waste collection and segregation process successful in disseminating the message of environmental upkeep tied to national pride around Independence Day. By combining waste collection, segregation, and environmental advocacy, the college reaffirmed its commitment to a clean, healthy, and sustainable India.

**Report on Plogathon under the Swachh Bharat Abhiyan**

In line with the celebrations of Independence Day, Government Degree College (GDC) Kangan organized a **Plogathon** under the banner of the **Swachh Bharat Abhiyan** on 9th August 2025. The event witnessed enthusiastic participation from both students and staff, who came together with a shared commitment to environmental cleanliness.

The Plogathon commenced with a brief address by NSS program officers highlighting the significance of the Swachh Bharat Abhiyan and its alignment with the ideals of a clean and self-reliant India envisioned by Mahatma Gandhi. Participants then marched and jogged through the college campus, all the while collecting litter and waste materials scattered around.

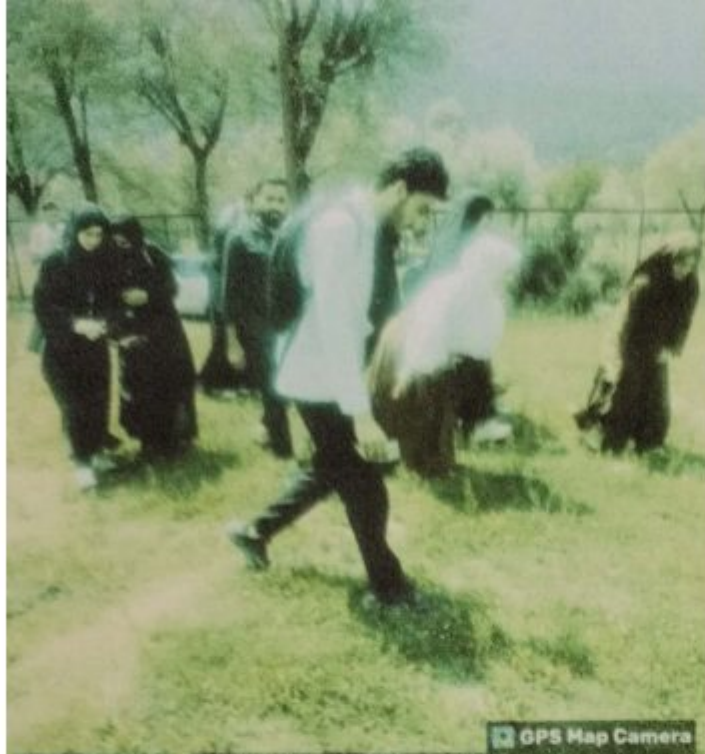

Equipped with gloves, biodegradable bags, and placards carrying messages on cleanliness and sustainability, the participants displayed remarkable zeal and discipline. The activity not only contributed to cleaning the college premises but also helped instill a sense of environmental consciousness among the youth.

This initiative was a part of the broader Independence Day celebrations, serving as a reminder that true patriotism lies in actively contributing to the betterment of the nation. The event concluded with a vote of thanks and a collective pledge to maintain cleanliness in everyday life.

Principal GDC Kangan Dr. Sadaf Nazir, appreciated the efforts of the organizers and the spirited participation of students and faculty. The event was a true reflection of the motto — "Swachhata Hi Seva Hai."
