Report on Slogan Writing

As part of the celebration of Gandhi Jayanti a **Slogan Writing Competition on "Gandhian Thought and Philosophy"** was organized by the Department of Political Science Government Degree College Kangan on 30-09-2025. The event saw enthusiastic participation from various students who created slogans inspired by Mahatma Gandhi's teachings on self-reliance, compassion, and simplicity. The purpose of the event was to commemorate the life and teachings of Mahatma Gandhi and explore how slogan writing as a creative and educational activity can promote Gandhian values among college students and to suggest how it may be organized effectively. Principles like nonviolence, truth, simplicity, self-reliance (swadeshi), communal harmony, service (seva), and moral integrity remain important in tackling contemporary issues such as social inequality, communal tensions, environmental degradation, corruption, etc. Truth and Non-Violence were, in Gandhi's eyes, are the most potent forces against these societal maladies. According to him, negative emotions like anger, pride, selfishness, and hatred were at the root of harm to life. He believed that all individuals were interconnected, sharing a common origin and destiny, fundamentally the same. Gandhi's only weapons against these social issues were Truth and Non-Violence, these concepts he staunchly upheld and followed in his life.

At the conclusion of the event Prof. Waseen Yaseen Head Department of Environmental Science extended a heartfelt vote of thanks to all the students for their enthusiastic participation, contributing to the success of the event.
