The programme witnessed enthusiastic participation from a large number of students representing different semesters, reflecting their keen interest in national issues and creative writing. The theme of the competition was "Role of Education in Building Peace and National Unity." Through their essays, participants highlighted the transformative role of education in promoting social harmony, democratic values, mutual respect, tolerance, and a sense of national integration. The competition provided an academic platform for students to express their ideas and strengthen their writing, analytical, and critical thinking skills. The essays were evaluated by a panel of judges comprising Dr. Mohammad Shahid Zaman, Head, Department of Economics; Dr. Aatina Nasir Malik, Head, Department of Sociology; and Mr. Bilal Ahmad Lone, Department of Education.
