Report on One Day Training Programme on "Nasha Mukht Bharat Abhiyan."

A one-day training programme for faculty members from various colleges and universities was organized under the "NASHA MUKHT BHARAT ABHIYAN" with the courtesy of the Chief Medical Officer Ganderbal in collaboration with the Department of Higher Education.

The main objective of the programme was to create awareness among faculty about the harmful effects of drug abuse and to prepare them to guide students towards a healthy and drug-free lifestyle. The Chief Medical Officer, in his address, emphasized the key role of teachers in preventing substance abuse among youth. Resource persons from the medical department delivered informative sessions on causes, effects, and preventive measures of drug addiction. A quiz competition session was also organized to make the training interactive and engaging.

Four faculty members from GDC Kangan were nominated by the Worthy Principal Professor Sadaf Nazir of the College and actively participated in the one-day training programme. The event concluded with a call to continue awareness and preventive activities under the "NASHA MUKHT BHARAT ABHIYAN" in educational institutions.
