**Report on Road Safety Awareness Program under the Road Safety Awareness Week (25<sup>th</sup> February – 3<sup>rd</sup> March 2026)**

As part of Road Safety Awareness Week, the NSS Units and Road Safety Club of Govt Degree College Kangan organised an awareness program on road safety and traffic rules in the college campus on 28<sup>th</sup> February 2026. The program aimed to sensitise students about the importance of responsible driving, adherence to traffic regulations, and the need to reduce road accidents. A large number of students, faculty members, and NSS volunteers actively participated in the event. The program commenced with a welcome address highlighting the significance of Road Safety Awareness Week and the growing need to follow traffic norms. The NSS program officers Prof. Waseem Yaseen and Dr. Aatina Nasir Malik emphasised the importance of wearing helmets and seat belts, avoiding overspeeding, refraining from using mobile phones while driving, and strictly following traffic signals and road signs. The volunteers of the NSS and members of the Road Safety Club conducted interactive sessions, spreading awareness about pedestrian safety, defensive driving techniques, and the consequences of violating traffic rules. Students were encouraged to act as ambassadors of road safety in their communities and promote safe driving practices among family and friends. The event concluded with a pledge-taking ceremony, where participants pledged to follow traffic rules diligently and contribute towards making roads safer for everyone. The program was a meaningful step towards creating awareness and fostering a sense of responsibility among the youth regarding road safety and traffic discipline.
