**Report on Road Rally Conducted Under the Road Safety Awareness Week**

As per the directions of the Directorate of Colleges, the NSS Units and Road Safety Club of Government Degree College (GDC) Kangan today i.e. 25 February 2026 organised a Road Rally today as part of the Road Safety Awareness Week. The rally commenced from the college campus and proceeded towards Kangan Market with the active participation of nearly 100 students and staff members. The participants walked in an organised manner, holding placards and distributing pamphlets carrying important messages about road safety rules and responsible driving practices. During the rally, students and volunteers briefly stopped vehicles at designated points and sensitised drivers about essential safety measures such as wearing seat belts, using helmets, avoiding the use of mobile phones while driving, adhering to speed limits, and following traffic signals. The initiative aimed to spread awareness among the general public and promote a culture of safe and responsible driving. The rally was held under the guidance of the worthy Principal of the college and witnessed enthusiastic participation from both students and faculty members, reflecting their commitment towards social responsibility and public safety. The event concluded successfully at Kangan Market, and then refreshments were distributed among all the participating students. The programme served as an effective platform to educate the public about road safety norms and reinforced the institution's dedication towards community welfare and awareness initiatives.
