Report on Traffic Rules Awareness Campaign

Today on 15 May, 2025 the NSS units of Government Degree College, Kangan organized Traffic Rules Awareness Campaign in which a good number of NSS Volunteers along with NSS Program Officers and other faculty members participated with zeal and zest.

The objective of the above campaign was to educate the public about traffic rules, promote safe driving practices and encourage responsible road use behaviour. The campaign aimed at providing guidelines about obeying speed limits, traffic signals, wearing seat belts, avoiding distractions while driving and maintaining their vehicles.

The NSS Volunteers along with other students assembled the college holding placards carrying important information on traffic rules. The students and faculty members then marched forwards main market Kangan, stopping vehicles and disseminating important information on traffic rules and road safety.

The campaign was held under the patronage of Principal Prof. Sadaf Nazir and was successful in raising public awareness about traffic rules and prevent the risk of accidents and chaos on the roads.
