Report on Anti Ragging Campaign

On 26-03-2025 an anti-ragging campaign was launched at Government Degree College Kangan in which a good number of students participated. The students pasted anti-ragging posters on different walls of the college in order to spread awareness among the students community about this menace. In a similar activity on 27-03-2025 an awareness programme on menace of ragging was held in which students participated actively and a *Question - Answer* session was held where different queries of students were addressed. The objective of the anti- ragging campaign was to create a safe, respectful and supportive environment for students and educating them about the harmful effects of ragging and its legal consequences. Such programmes promote the importance of mutual respect, healthy relationships and non-violent interaction to prevent ragging incidents and encourage victims and witnesses of ragging to report accidents promptly and ensure there is a confidential, supportive reporting system in place in order to create a positive campus culture. *Mr. Waseem Yaseen, Assistant Professor in Environment Science* presented an effective power point Presentation which cleared many doubts in students regarding various legal perspectives. These activities were done under the patronage of Principal Prof. Sadaf Nazir.
