Report on Plastic Free Cleanliness Drive-
an activity to celebrate World Environment Day, 2025

Today on 2nd June, 2025, the Department of Environmental Science, Eco Club and NSS Units organized a Plastic Free Campus Cleanliness Drive at Government Degree College Kangan. This drive was held in connection with the celebration of World Environment Day, 2025 themed "*Ending Global Plastic Pollution*".

The objective of the drive was to reduce plastic pollution on campus which is a threat to our health and ecosystem. The aim was to instil in students the need for proper waste disposal, management and recycling. The students were discouraged from using single-use plastic bottles and other non-biodegradable plastic material on campus.

The students collected all used plastic bottles and plastic wrappers on campus and disposed them off in dustbins properly. Furthermore, it was pledged that the college campus would continue to be a *Plastic Free Zone*.

Report on world Environment Day-2025

On 5th June, 2025 the *Department of Environmental Science /Eco club and NSS units of Government Degree College Kangan* organised World Environment Day 2025 celebrations. The main aim of the events was to increase the awareness among students about the importance of the environment and the need to protect it. In this regard, two activities were conducted to mark the celebration of the World Environment Day 2025, i.e. *Nature Walk* and *an adopted Water body Cleanliness Drive* in which a large number of students, NSS volunteers, program officers and other staff members (both teaching and non-teaching participated).The *Nature Walk* was conducted from Government Degree College to Tangchatir to stimulate students appreciation for the nature and to help them take in the details of the environment around them and to connect with it. As a part of *Nature walk*, Govt Degree College Kangan collaborated with Govt. Middle School Tangchatir and Department of Forestry, Division Tangchatir where students were given information about the importance of maintaining a healthy environment, the need to preserve it and keep it clean. Both college and school students participated in it with full enthusiasm.

On the way back to college water body cleanliness drive was conducted in which the students of Govt Degree College Kangan cleaned the Water body by picking up wrappers, plastic bottles and other waste in and around the water body.

Students were repeatedly informed about the alarming facts regarding the changes in environment and how urgent it is to take the necessary step to save it not only for us but for our future generations.

Report on Campus Beautification Drive

On 10th June 2025 the Department of Political Science, Environmental Science and NSS Units of Government Degree College Kangan organized a Campus Beautification Drive. The objective of the drive was to transform the college campus into a welcoming space to enhance the overall productivity of students and faculty. It was aimed to create a beautiful campus that energizes, inspires and also creates a stress free environment.

To enhance the visual appeal of the college, the staff members (both teaching and non-teaching) planted saplings in flower beds and flower pots in the college. Due care was taken that the sapling are properly planted and adequately watered and the college fraternity ensured to take care of both existing floral life and the newly planted saplings.
